72" Linear Electric Fireplace

SIL72

A photograph of the Sierra Series Linear Electric Fireplace (model SIL72) installed in a living room. The fireplace is a long, black, wall-mounted unit with a stone surround. It features a large black screen above the firebox and a wide firebox below. The firebox is filled with white pebbles and has a bright, orange and yellow flame effect. The fireplace is set against a light-colored stone wall. To the left, a grey armchair with a patterned pillow is visible. In the foreground, a coffee table holds a small potted plant and two glass vases. A red text box is overlaid on the left side of the image.

Create that cozy feeling with the touch of a button.

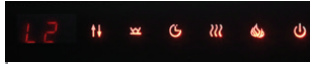

The Sierra linear fireplace series is the perfect solution for any space. With three installation options - built-in, wall-mount or table top stand, you will never have a problem finding the right place for it. Use the interchangeable media bed options to change the look and feel any time, and rotate the color of the ember bed and flames to add a pop of color. Create that cozy feeling with the touch of a button.
