

# 4415 See-Thru High Output Deluxe

## PREMIUM LINEAR GAS FIREPLACE

**FIREPLACE**  
**XTRODINAIR**  
FIREPLACEX.COM

*This livingroom and dining room area features the 4415 High Output See-Thru with the Beveled Tile Trim Kit, LedgeStone Fireback, Platinum Glass Media, and Driftwood Log Set.*

The 4415 See-Thru High Output (HO) gives you the beauty, style and heat output of the 4415, while featuring double the fireview! This model is perfect for anyone wanting to divide a large living space, or integrate two separate rooms. The unique see-thru design allows you to personalize each side of the fireplace with our selection of decorative trims and Fyre-Art™ options. This Deluxe fireplace features Accent Lights, a 180 CFM convection fan and the GreenSmart® Remote Control. \*Not approved for indoor/outdoor installation.

### Fyre-Art™ (Optional)

Although not required, these decorative options allow you to personalize your fireplace with a little added style.

NOTE: Improper installation of your gas appliance or failure to operate it in accordance to the guidelines detailed in the Owner's Manual may negate your warranty and endanger your home and family. Installation information is available on our website at [www.fireplacex.com](http://www.fireplacex.com).

The dimensions and clearances on this page are for reference only!

Refer to the Owner's Manual prior to installation. We recommend all Fireplace Xtrordinair® appliances be installed, and maintained on an annual basis by your Specialty Hearth Retailer.
