FIREPLACEX.COM

This 616 Deluxe Ember-Glo™ is shown with the Shadowbox Face, Common Brick Fireback, and Classic Oak Log Set.

The 616 Deluxe is an excellent heater and beautiful focal point for larger homes and grand spaces up to 2,000 square feet. This insert features our biggest fireview, with 616 square inches of ceramic glass that extends down to the hearth. This creates a “clean face” look with minimal metal facing and a larger fireview than other inserts its size. This model has a gorgeous flame appearance and comes standard with Ember-Glo™ ember bed lighting and the Ember-Fyre® II burner. The 616 also features a 180 CFM convection fan, the GreenSmart® Remote Control, top Accent Light and Comfort Control™, which gives you the flexibility to enjoy a beautiful fire with your desired heat output all year-round.
